18" Grandi Carpet Groomer- \$29.95 + tax

Want to keep your carpet looking exactly the way we left it? Ideal for use before vacuuming to separate fibers for maximum soil removal, it is also a great post-vacuuming tool that excels at removing footprints and leaving carpets looking clean and beautiful. It is also a perfect tool for straightening fringes on oriental rugs.

12" Perky Carpet Groomer- \$24.95 + tax

A smaller version of the Grandi, the Perky offers the same terrific results. Ideal for use before vacuuming to separate fibers for maximum soil removal, it is also a great post-vacuuming tool that excels at removing footprints and leaving carpets looking clean and beautiful. It is also a perfect tool for straightening fringes on oriental rugs.

Vet's Trust 16 oz. \$9.95 + tax

Choose Vet's Trust for Odor Removal from urine, feces, vomit and other embarrassing odors. Infused with environmentally-friendly, enzyme-producing bacteria that effectively digests organic waste matter, Vets Trust targets odor at the source. This formulation withstands high pH and high temperatures without losing effectiveness. It is non-toxic and biodegradable. Unlike competitive, wimpy products that cannot begin to eradicate pet odors, Vets Trust works to get the job done once and for all.

Spot Out 8 oz. \$4.95 + tax

Spot Out is an all purpose spotter that makes short work of unsightly spots. This water based problem solver takes out most oil and water based stains when used on wet cleanable carpet, upholstery and clothing stains. It's safe on all carpets so you don't have to worry about permanently bleaching and ruining your carpet. Spot out leaves everything fresh and free of sticky, soil-attracting residues without any rinsing.

WunderGRIP For rugs on hard surfaces.

\$1.50 square foot + tax

Double the life of your rug by protecting it in five important ways.

- Gripping Power- Constructed of 100% pure vinyl, the 3600 gripper/shock absorbers per square foot keeps rugs firmly in place over smooth floors. No Shimmying or shifting to strain the rug.
- Low Profile Construction- Eliminates ‘shoulders’ of the rug edge which are not only unsightly and dangerous but cause premature wear.
- Flow Through Ventilation- Open construction allows the rug to breathe, evaporating moisture immediately. The rug is easier to vacuum and dirt is more readily removed.
- Impact Resistance- Designed specifically for area rugs, thousands of gripper/absorbers provide the support and shock absorbency missing in soft, carpet-type padding. Impact resistance means longer pile life.
- 20 Year Warranty- Wundergrip will maintain all non-slip properties for 20 years, and is washable to extend both the rug and pad life.
